

# QUALITY POLICY

## PPHU JURCZAK JACEK JURCZAK

We place great emphasis on the quality of our products, especially the type of materials and workmanship.

We want both the name and logo of our company to be recognizable and associated with the highest quality products.

Additionally, we focus on continuous development and improvement of the implemented Quality Management System.

### **THE MOST IMPORTANT GOALS OF OUR COMPANY ARE:**

- Offering the highest quality products that meet the expectations of even the most demanding customers.
- Achieving a strong position in the field of steel and plastic processing on the domestic and foreign market.
- Continuous improvement of occupational health and safety and fire protection.

### **HOW WE DO IT:**

1. We identify customers' needs in order to provide products and services that fully meet their requirements on competitive terms.
2. We implement new technologies and constantly improve production processes.
3. We raise the qualifications of our employees.
4. We make our Employees and Suppliers aware that quality starts with the very beginning of the process and is not the result of correcting mistakes but of avoiding them.
5. We actively participate in trade fairs and industry events.
